PROFILE

Multidisciplinary Designer with applied experience since 2021 across graphic design, digital products, UX/UI, branding, content design, publication design, animation, and accessible public-facing communications. Skilled in developing clear, engaging and functional design solutions from concept to final execution using Adobe Creative Cloud, Figma and AI-assisted tools. Combines strong visual thinking, content organization and user-focused design with professional experience at the City of Kingston, RGD mentorship, and a versatile portfolio of refined creative work.

EDUCATION

ONTARIO COLLEGE ADVANCED DIPLOMA — Graphic Design
St. Lawrence College — *Sep 2023 - May 2026*

MASTER'S DEGREE — Design & Visual Communications
Kharkiv State Academy of Design and Arts — *Sep 2025 – Dec 2026*

BACHELOR'S DEGREE — Graphic Design
Mykhailo Boychuk Kyiv State Academy of Decorative and Applied Arts and Design — *Sep 2021 – Jun 2025. Credential recognized by World Education Services (WES)*

SUMMER SCHOOL — Mass Communication & Media Studies
University of Toronto Mississauga — *May 2022 – Aug 2022*

RELEVANT DESIGN EXPERIENCE

GRAPHIC DESIGN PLACEMENT STUDENT — Communications Department, City of Kingston | Kingston, ON — *2026*

- Contributed to real public-facing communication materials in a municipal environment, balancing visual clarity, accessibility, brand standards, and project requirements.
- Designed maps and accessibility-friendly legends, translating complex spatial information into clear, user-centred visual communication.
- Created layout-based documents with substantial content, tables, and design elements within strict page and format constraints.
- Gained practical print-production experience, including preparing files for print, understanding large print runs, and coordinating the physical production side of communications work.
- Managed multiple concurrent projects and revisions in a fast-paced workplace, prioritizing deadlines and communicating project needs or constraints early.

RELEVANT DESIGN EXPERIENCE

STUDENT GRAPHIC DESIGN TUTOR — St. Lawrence College | Kingston, ON — *Sep 2024 - Apr 2026*

- Provided peer tutoring and project feedback in Adobe Creative Cloud, Figma, composition, and branding, helping students build practical design skills.
- Explained design principles clearly to learners with varied needs, strengthening communication, critique, and mentorship skills.
- Supported students in developing stronger typography, layout, visual hierarchy, and brand consistency across academic design projects.

GRAPHIC DESIGNER — RGD Project-Based Mentorship Program | Canada — *Mar 2024 - Jul 2025*

- Collaborated with a design team on Nova Harbour, a public transportation app concept mentored by Josh Skinner, RGD, contributing to strategy, user-centred UX/UI design, Figma-based design development, peer critique, and iterative improvements while strengthening professional collaboration and systems thinking.

VOLUNTEER GRAPHIC DESIGNER / COMMUNITY DESIGN CONTRIBUTOR | Kingston Ukrainian Association & Creative Communities | Kingston, ON / Canada — *2023–Present*

- Designed posters and visual materials for community initiatives, while contributing creative support to Creative Forces and Girls in STEAM / Educational Ambassador projects connecting design, education, and community engagement.
